The licensee and Commission staff will conduct an environmental site review of the project on Wednesday, July 18, 2018, starting at 9:00 a.m. All participants should meet at the Eldred L. Field Powerhouse, located at 145 Pawtucket St., Lowell, MA 01854.

If you plan to attend the environmental site review, please email Kevin Webb of Boott at kevin.webb@enel.com on or before July 11, 2018, and indicate how many participants will be attending with you. Participants should park at the UMass Lowell East Campus Garage at 47 Pawtucket St., Lowell (no parking fee). After parking, exit the garage onto Pawtucket St. and follow the street to the right (west) about 500 feet. The entrance to the E.L. Field Powerhouse is through the gate on the right, just before the bridge over the Northern Canal. Boott's safety policies require that participants wear sturdy footwear; no sandals, open-toed shoes, or shorts.

The Lowell Project's facilities are spread out throughout the City of Lowell. Due to limited parking at many locations, Boott will transport participants between facilities by bus. The tour will last for 5 to 6 hours. For any questions concerning the environmental site visit please contact Kevin Webb at (978) 935-6039 or kevin.webb@enel.com.

Meeting Objectives

At the scoping meetings, staff will: (1) initiate scoping of the issues; (2) review and discuss existing conditions and resource management objectives; (3) review and discuss existing information and identify preliminary information and study needs; (4) review and discuss the process plan and schedule for pre-filing activity that incorporates the time frames provided for in Part 5 of the Commission's regulations and, to the extent possible, maximizes coordination of federal, state, and tribal permitting and certification processes; and (5) discuss the appropriateness of any federal or state agency or Indian tribe acting as a cooperating agency for development of an environmental document.

Meeting participants should come prepared to discuss their issues and/or concerns. Please review the PAD in preparation for the scoping meetings. Directions on how to obtain a copy of the PAD and SD1 are included in item n. of this document.

Meeting Procedures

The meetings will be recorded by a stenographer and will be placed in the public records of the project.
